

What to buy

SPORTS FANS

Sports fans can sometimes put their friends and family through a lot. They're loud, invite too many friends over, and leave Cheeto dust on the sofa cushions. At least they're easy to shop

for. However, if you're worried about blowing it worse than the Atlanta Falcons in the fourth quarter of Super Bowl LI, we're here to help.

Sports books

When cabin fever sets in, a good book is a great way to kill some time. *Coach Wooden and Me* by Kareem Abdul Jabbar, *Ballplayer* by Chipper Jones, *Unstoppable* by Maria Sharapova, and *Return of the King* by Brian Windhorst and Dave McMenamin have all spent time this year on the sports best-seller list. **Barnes & Noble, Amazon, other retailers. \$20-\$40.**

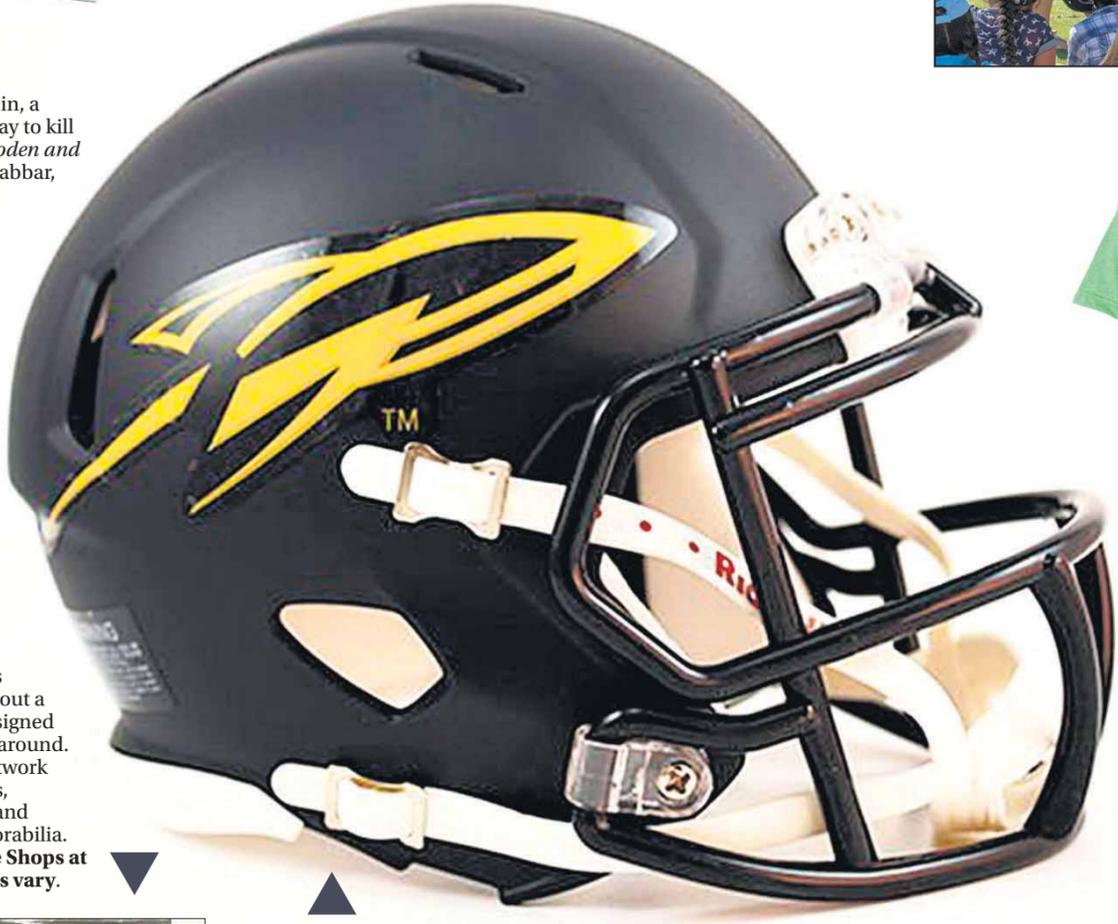

Golf lessons

Chances are you know a sports fan who plays golf. And chances are they're not very good. Send them to work with instructor Dan Sutton at Heatherdowns, who has more than 20 years of experience. **Heather Downs Country Club. \$40 per lesson or \$150 for four.**

Memorabilia

No home bar or child's room is complete without a few framed photos or signed football helmets lying around. Hall of Framers has artwork of your favorite players, teams, and stadiums, and plenty of signed memorabilia. **Hall of Framers at the Shops at Fallen Timbers. Prices vary.**

Toledo Goaldiggers T-shirt

Long before the Walleye and Huntington Center, there were the Goaldiggers and Toledo Sports Arena. This shirt will have anyone looking good on Throwback Thursdays. **Swamp Shop. \$27.95.**

Mini helmets

Full-size replica football helmets are expensive, so buy two or three mini helmets and still spend less money. These will brighten up any office or "man cave." **Amazon. \$20-\$40.**

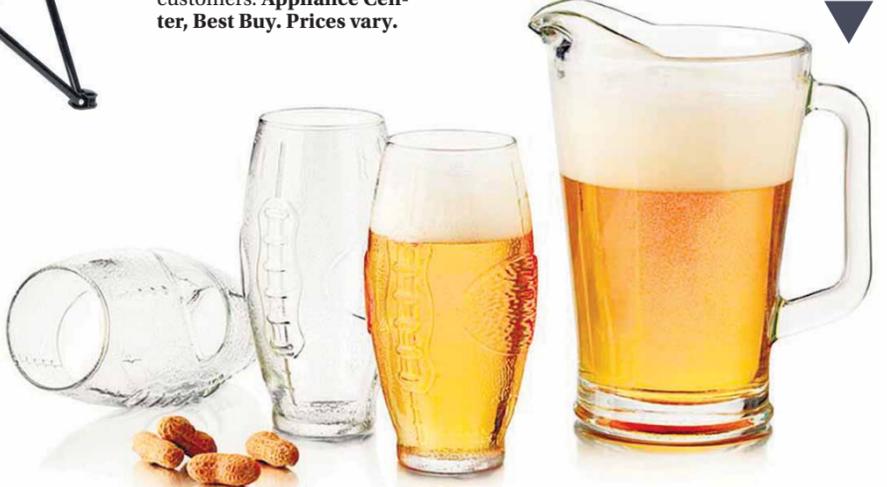

4K television

Watching games at home has become better than watching them at the stadium. Upgrade that basic flatscreen to a 4K TV and get a better view of the action than the paying customers. **Appliance Center, Best Buy. Prices vary.**

Football beer glass set

Invite your friends over for the big game and serve your favorite adult beverage in style. This football-themed glassware set includes a 60-ounce pitcher and six glasses. **Libbey Glass Outlet or retail.libbey.com. \$24.99.**

Camping/Tailgate chairs

Get comfy before the game and pull up one of these tailgating chairs. The Buckeye Wolverine Shop has you covered, whether you prefer one in scarlet and gray or maize and blue. **Buckeye Wolverine Shop. \$25-\$45.**

Ping Pong table

When it's too cold to shoot hoops in the driveway, stay indoors and challenge your friends and family to some old fashioned table tennis. **Dick's Sporting Goods. \$199.99 and up.**
