Last year one of the campers did so well he ended up going over for a dream try-out with Everton Football Club from the English Premier League. Could this be you in 2016?

It's exciting times for Northwest Ohio Soccer with our very own Pacesetter Soccer Club receiving the award for the #1 Soccer Club for both Boys and Girls in Ohio North. It is the first time any club has been #1 for both boys and girls in the same year. Pacesetter finally knocked off the tough competition of Cleveland. Pacesetter has always been the dominant force in Northwest Ohio but to knock off the Cleveland teams and finally become #1 is exciting for our community. In January of 2014 Pacesetter Soccer Club became official partners with Aston Villa Football Club from the English Premier League. This is the first partnership of its kind with Aston Villa in the USA. Aston Villa has already beaten Chelsea, Arsenal and Manchester City this year and is the exciting young team in the English Premier League. Check the June try-out dates for Ohio North's #1 club as well as for a fantastic soccer camp opportunity. Call for more information: 419-885-3140.

The Toledo Repertoire Theatre

The mission of The Toledo Repertoire Theatre is "to educate, entertain and serve Toledo and the surrounding region through live theatre." Youth Education has been a focal point of our mission for almost 40 years, with one of the longest running children's theatre programs in the area.

The Toledo Rep's education program (Rep Ed) offers a total of six youth education sessions throughout the year, including three summer intensive drama camps for children and teens ages 7-16. The camps meet from 9am-3pm at The Rep. The themes and dates are "Theatre Through The Ages" June 27-July 1, "Everything You Ever Wanted To Know About Theatre!" July 18-22, and "Build Your Own Broadway" July 25-29. The cost for each camp is \$125.

Theatre educates and shapes the whole child mentally, emotionally and physically. Our Young Rep Ed classes aim to foster self-confidence, teamwork and commitment in a safe and fun environment while nurturing and developing the creative and collaborative talents of our young artists.

Our program will also be putting on two Young Rep summer musical productions, with Fame:

The Musical (ages 14-19) showing July 14-17 and Fiddler on the Roof Jr. (ages 7-13) showing August 4-7.

Rep Ed has a tangible and positive impact on children. Here at The Rep, 'Toledo's Community Theatre since 1933', we hope to create a vibrant theatre experience that

The Valentine Theatre

ABOUT VALENTINE SCHOOL DAYS

Over the past two years, the Valentine Theatre has developed School Days, an educational theatre outreach program for area elementary and High School student students. Carrying on the tradition of Lourdes University's Theater Vision, which began 28 years ago, School Days has welcomed over over 10,000 students to participate in professional theatre touring productions at the historic Valentine Theatre.

Our children's programs tie to popular and award-winning children's books, which make them an approachable avenue to engage young children in literacy and early reading. Reading proficiency is a significant problem in Toledo, in particular, and the region as a whole. Teachers need innovative opportunities to engage children in reading to address a region falling behind in reading and literacy. Valentine Theatre School Days is the only performing arts program in Northwest Ohio that links to Ohio's Common Core Standards.

Your corporate and private donations will have a positive educational impact on approximately 9,000 elementary students that will attend during the 2015-16 school year. If you would like to donate to The Valentine Theatre's School Days program, please contact Jori Jex or Matt Lentz at The Valentine Theatre, 419/242-3490. Thank you!

Toledo Ballet

While our name says "ballet," Toledo Ballet offers a virtual feast of other dance forms including tap, jazz, hip hop, contemporary fusion, modern, musical theater and more, and various conditioning classes for the dancer and non-dancer alike. There is a class for everyone from ages 3 – 73. Toledo Ballet School is directed by Lisa Mayer Lang, a veteran Broadway performer and certified ABT instructor.

No grass grows under Toledo Ballet's dance shoes! This year, TB has been particularly busy with the celebration of our 75th anniversary Nutcracker, the longest running annual production in the entire country. In addition, TB joined with the venerable Toledo Museum Art to celebrate the stunning Degas & the Dance exhibit with a culminating performance in the Peristyle which brought the iconic sculpture "Little Dancer Age Fourteen" to life. And in February, TB again performed with the Toledo Symphony in Stravinsky's "Rite of Spring."

A not-for-profit organization, Toledo Ballet's mission is to promote interest in dance through premiere education, performance, and outreach. Its flagship Adaptive Dance program for youth with Down syndrome has received nationwide attention. Toledo Ballet's vigorous recent outreach partnerships include Toledo Public Schools,

YMCA

YMCA of Greater Toledo Summer Camps Help Youth Experience Their Best Summers Ever

Programming keeps kids moving, exploring and learning

Do you remember your best summer ever? Did you stay all day with your friends at the local pool? Did you head to the local park and play basketball? Or was your best summer the summer you discovered your favorite literary heroes and followed their adventures from the comfort of your own backyard? For most, your best summer ever was probably a combination of all of these—some exploration, activity and education.

Summer is the ideal time to get children out and exploring but for some, the end of the school year means no access to recreational and educational activities which help them learn, grow and thrive. Studies show that children can experience learning loss and even gain weight twice as fast than during the school year. For parents and caregivers looking to keep their children's minds and bodies active, the YMCA of Greater Toledo is offering summer camps to give youth an adventurous,

Open the door
to your child's
creativity.

active and healthy summer.

YMCA camp programs provide a fun and unique experience that gives children and teens the opportunity to explore the outdoors, meet new friends, discover new interests and create memories that last a lifetime. The YMCA of Greater Toledo offers: Day Camp, Preschool Day Camp, Sports and Specialty Camps, Gymnastics and Cheer Camps, Summer Child Care, and overnight camp at YMCA Storer Camps.

“Summer camp provides a variety of opportunities to ensure that youth are learning and being physically active in the summer,” says Becky Spencer, Vice President of Camping. “Campers learn how to be responsible and resourceful, work in groups, solve problems and make decisions that will help them grow as individuals—all while having fun and feeling like they belong. We want every camper to start school telling their friends that they had the best summer ever.”

Spencer says there are five reasons why children and teens should attend summer camp:

ADVENTURE: Summer camp is all about a wide variety of new experiences and exploring the outdoors. YMCA camps have a new adventure for every child and teen. Visit www.ymca.net [OR INSERT YOUR Y’S URL] for details.

HEALTHY FUN: Day and resident camps offer fun, stimulating activities that engage the body and mind, and also help children and teens learn the importance of nutrition to help improve their healthy eating habits.

PERSONAL GROWTH: While in the welcoming environment of camp, youth are encouraged to learn new skills, and develop confidence and independence by taking on new responsibilities and challenges. Camps offer cognitive learning and social-emotional development opportunities for achievement.

FRIENDSHIPS: Amidst the fun of camp games, songs, swimming, canoeing and talent shows, campers meet new friends and strengthen existing friendships. The bonds formed at camp are important and lasting for many youth.

MEMORIES: Summer camp is an unforgettable experience that will give each

camper memories (and camp traditions) that will last a lifetime. Youth return to school with plenty of camp stories to share!

A leading nonprofit committed to nurturing the potential of youth, the Y has been a leader in providing summer camp for over 130 years.
