Here's what some participants had to say about last year's workshop:

"This workshop is excellent. I've lived in Toledo for 27 years and I am amazed how much I did not know was there!"

"It was well organized and everything was explained thoroughly. A lot of the information can be adapted to the classroom."

"Hands-on experience provided useful information to pass on..."

"I was very impressed with the amount of materials that were presented during these week long workshops."

This opportunity is open to all educators, including administrators, homeschooling educators, and pre-service teachers. This workshop is recommended for preK-8 educators but is open to all grade levels.
