Sturdy brick and French accents will ensure that this home will fit into any neighborhood.

A front porch accented by an oval window gives this cozy brick home a special look.

The entry overlooks a huge living and dining area with a high ceiling. Tall windows brighten the entire area, and French doors open to a backyard patio. A tiled fireplace is flanked by built-in bookcases and a neat TV niche.

A functional serving bar extends from the kitchen, and a sunny breakfast nook looks out to the front yard. A convenient pantry is offered in the windowed utility room. The adjoining two-car garage includes a roomy storage area.

Secluded to the rear of the home, the master bedroom boasts a stepped ceiling, two generous closets and private access to the patio. The deluxe master bath flaunts a romantic whirlpool tub, a separate shower, a dual-sink vanity and a tall linen closet.

Two additional bedrooms are located on the opposite side of the home. A second full bath is close by.
