**Maggie Thurber** Interesting coverage of the Simpson press conference on Stainbrook Central Committee recruits who don't live where they're registered to vote. Kevin Milliken did a nice job on the story.

**GOP Candidates Derided as Felons | Lake Currents**

Toledo attorney Jeff Simpson leveled some pretty serious charges against some rival candidates for the Lucas County Republican Party Central Committee, yet we have yet to see their names in print or broadcast. That is, until now.

**Shred Myers** Stainbrook is a democrat planted into the LCRP with the backing of John Block as a way to rot the party from the inside. It's just my theory but it explains a lot! Crooks? Felons? Former Jack Ford campaign people working within the local party? Stinks like a rat to me.

**Elizabeth LaPan** Maggie, THANK YOU, for sharing this. Just read it. Literally makes me sick to my stomach. And the candidates with the criminal backgrounds. OMG- how this isn't spreading like wildfire????? Wow. Shred, I agreed and think MANY others do as well. Thank you, Kevin Milliken, for writing the article.

**Russ Franzen** Maggie, Is there a place where we can find out which Republican County Central Committee candidates are put up by the different party factions? I've been looking and can't find anything.
