

# BUILD A DREAM

## Windows Make This Cottage

A full-length multi-paned window wall adorns the living room of this cottage and is topped by a gabled roof.

Equally beautiful as a primary or vacation home, Plan HMAFAPW01007 from Homeplans.com offers surprising amenities and lots of curb appeal with stone accents.

The one-and-a-half-story home features 1,682 square feet of living space. The full-basement option offers an additional 1,185 square feet of space for storage or to be finished later.

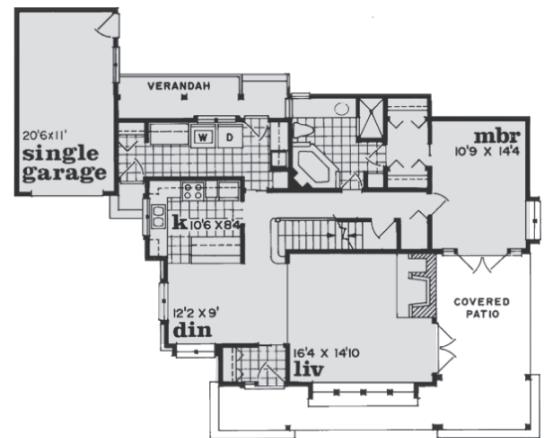

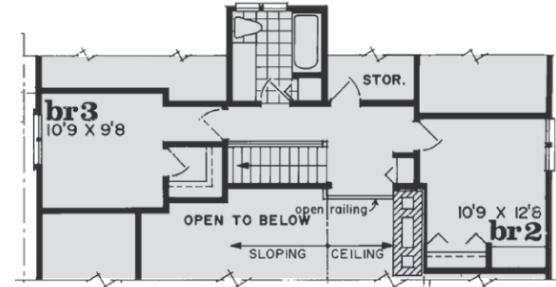

The first-floor master bath is anchored by a corner tub and includes a separate large shower, plenty of counter space and a walk-through closet. Fling open the French doors from the sleeping chamber to the patio to enjoy fresh breezes.
