FULL-SERVICE
CATERING
AVAILABLE FOR
ALMOST ANY
OCCASION!

Our food is made fresh to order. If you are on a time budget (especially during lunch hours) feel free to call in your order ahead of time!

We support (and even encourage!) "building your own" menu item, however please allow for extra time to prepare your creation, especially during peak hours.

In order to maintain quality, some meals may be delayed a few minutes when serving large groups and separate checks.

Feel free to ask your server for a sample of our signature items such as Cold/Hot Dip, Tuna Salad, our Wing Sauces or our Salsa before ordering. This will eliminate you paying for something you don't like the taste of.

Consuming raw or undercooked meats, poultry, seafood, shellfish or eggs may increase your risk of foodborne illness.

Welcome to Doc Watson's Flavorful Foods & Spirits. Our name comes from our father and grandfather, respectively. "Pop", as we called him, was also Dr. Charles W. Watson. He took great care of hundreds of South Toledo families for 45 years and had a love for Flavorful Foods and Spirits. In his memory, we opened Doc's in 1995 to bring you the highest quality, freshest food and drink, complimented by friendly and prompt service.

Our ribs, pulled pork, prime rib and beef tenderloin are smoked or roasted in-house. Ask your server about our delicious daily and weekly specials and Doc's Hot Sauce tray. We hope you enjoy your visit and please let us know how we can serve you better.
