### Call Short Narrative

While traveling northbound on East Boundary St., I observed a gray Chevrolet Cobalt bearing Ohio registration CNM7753 traveling southbound. The vehicle appeared to be exceeding the posted 25 MPH. I activated my Eagle+ radar unit(EG01255) in the moving mode and got a target speed of 42 MPH with corresponding audio tone. I activated my emergency lights and stopped the vehicle near the intersection of East Boundary St. at Bexley. I made contact with the vehicle operator, Jessica L. Peters. I informed Peters of the reason for the traffic stop and asked if the was an emergency. Peters stated that there was no emergency and that she thought the speed limit was 35 MPH. Peters driving record indicated 1 prior speed violation within a 12 month period. Peters did not have proof of insurance. Peters was cited for 42 MPH in a 25 MPH Zone ORC 4511.21B2. She was given a court date of 5 November 2012. The radar unit was checked before and after the traffic stop and was found to be working properly and in calibration .
