While traveling south on SR 25, I observed a light blue Chevy Tahoe (OH-FHC2550) that had an expired registration sticker. I ran the plate through my MDT and confirmed it had expired in September. I activated my overhead lights and initiated a traffic stop. The driver was identified as Kristopher King. When advised the reason for the stop, King stated he remembered when the plates expired but forgot to renew them. Kristopher King was issued a citation for Expired Registration- ORC 4503.11 (M4) and given a court date of Tuesday, November 6th at 5:00pm. King was polite and courteous during my encounter with him.

While on patrol, I observed a white Saturn (OH-FLJ2910) stopped in the Arby's parking lot exit. The vehicle continued to sit in the driveway without turning onto SR 25. I sat in the Huntington Bank parking lot and the vehicle pulled out onto SR 25. The vehicle then turned into the Huntington Bank parking lot and pulled up to the ATM in the wrong direction. I started to back up and the vehicle then drove back onto SR 25. I ran the vehicles registration and it came back to Gregory S. Goodman. It stated Goodman's status was failure to reinstate. The vehicle's registered owner matched the description of the driver so I initiated a traffic stop. I identified the driver as Mr. Goodman. Goodman stated he had driving privileges and was able to provide me with them. The paperwork showed his privileges were until 11pm and expired 08/2012. Goodman stated he worked overtime tonight. He later stated he stopped at his daughters house after work because his grandson was sick. While speaking with him, three Miller Light beers were located in a plastic bag in the passenger seat. I asked if he stopped anywhere else and he stated no. After I asked about the beers he advised he stopped at the gas station and purchased the beer. He then stated he drove past his house on Hickory Street and then stopped at Arby's for food. I requested a tow for the vehicle and inventoried it. The vehicle was later released to VJ's. Goodman was cited for Failure to Reinstate (ORC-4510.18A).

I watched a vehicle go through a red signal at that intersection. A heavy line of traffic was exiting Levis Commons. I watched the signal for EB traffic on Levis Commons Blvd change to red. A vehicle that was traveling in the outside left turn lane went through the red signal. The vehicle was west of the stop bar when the signal indicated red. I stopped this vehicle and made contact with Mr. Miller. He acknowledged the violation, and later stated he understood why he was cited. He had an adult female passenger seated up front. I was on patrol heading SB on SR 25 in the curb lane. I was stopped for a red signal at the IR 475 N on ramp. I watched the driver of an SUV brake hard next to me on SR 25. The vehicle stopped within half a car length of the vehicle ahead. Our signal turned green and the driver of the SUV proceeded to follow the vehicle in front of him within half a car length. The driver of the SUV had to apply his brakes at times in order to maintain such a close distance. On the other side of the overpass I stopped this vehicle and made contact with the driver, Drew Brown. He was unaware of his distance to the vehicle in front of him, and twice asked me to explain what he had done wrong. I do not believe he had any passengers.
