## News Blotter

### Call Short Narrative

While traveling northbound on IR 75, I observed a black GMC Terrain (MI-BKK2426) also traveling northbound in the far right lane behind a tractor trailer. I observed the vehicle's right tires cross over the white outside lines and near the rumble strips. The vehicle then veered back into its lane. I estimate the distance between the Terrain and the tractor trailer as 1 and a half car lengths. The driver of Terrain then moved the vehicle into the center lane without signaling, then back into the right lane, then began to straddle the line between the center and right lanes. The vehicle did this next to the tractor trailer unit, causing it to move into the right portion of the outside lane. The Terrain again moved into the center lane without signaling. I activated my overhead lights and initiated a traffic stop. The driver was identified as Thomas Harris. Harris stated he and his wife were returning to Michigan from South Carolina and he was tired. Thomas Harris was issued a citation for Rules for Driving in Marked Lanes- ORC 4511.33 (MM) and given a court date of Tuesday, January 8th at 5:00pm. He was advised to provide the court with current proof of insurance.
