## If you haven't tried tilapia, you're in for a real treat!

Tilapia fillets derive only 5% of their calories from fat, well below the 30% recommended by the Surgeon General and American Heart Association.

Tilapia is mild, moist and flaky!

Tilapia fillets are naturally healthy. One 4 oz. serving had only 200 calories, just 1 gram of total fat and 19 grams of protein.

### A GOOD FISH STORY

Also known as "St. Peter's Fish" tilapia is believed to be the miracle fish that Jesus fed to the multitudes in the "Fish and Loaves Parable".

### SONNY SAYS,

"I can't guarantee you will like this fish, but I can guarantee you'll go to Heaven (if you eat it)!"
