### Call Short Narrative

I was parked on Garfield facing W at SR 25. I observed a maroon suv traveling N on SR 25 in the passing lane at what appeared to be over the posted speed limit of 40 mph. I estimated the vehicle to be traveling at about 55 mph. I used laser unit TS006433 to perform a speed check and found the vehicle to be traveling at 56 mph. I initiated a traffic stop and advised the driver, Ms. Mazey, why I had stopped her. Ms. Mazey asked how fast she was going, advised she was not from the area, and stated she was heading to a girls basketball game. Ms. Mazey was cited for speed. There were several juvenile female passengers in the vehicle with Ms. Mazey. I had good tracking, no interference, and a calibration check was done at about 1525 hrs.
