I was explaining the citation and Ms. Reynolds continued to state she did not think she was traveling that fast and suggested it may have been a different vehicle. I advised her there were no other vehicles in front of her in the immediate area. Ms. Reynolds then began to say there were a whole line of cars in front of her. I issued the citation, asked Ms. Reynolds to please drive carefully, and returned to my patrol vehicle. I had good tracking, no interference, and a calibration check was done at about 1530 hrs.
