There were no vehicles ahead of the minivan and it was gaining on several cars behind it. I estimated the vehicle's speed to be 42 MPH. I stopped the black Chrysler Town and Country (OH-EWY7293) and identified the driver as Luann Simcox. While on routine patrol, I was traveling on IR475 south just passing the river. I was in the right lane and I observed a commercial tractor trailer traveling in the left lane. Traffic was heavy in both lanes. I noticed the tractor was driving very close to a small gray coupe in front of it. At the 3 mile post, I moved up beside the tractor and estimated the distance from the front bumper of the tractor to the rear bumper of the coupe at 15 feet. I paced my speed at 50mph at this time. I moved in behind the tractor and activated my overhead lights. The driver did not notice me and did not pull over for about 1 mile. I identified the driver as Eric Toalston. Mr. Toalston agreed that he had been traveling about 15 feet from the vehicle in front of him at about 50mph. Mr. Toalston told me he thought he would be able to stop in the time if the coupe had to brake fast. I issued Mr. Toalston a traffic citation for ORC 4511.34 Following Too Closely (mm).
