Call Short Narrative

I was northbound on Sandusky St, approaching the intersection of E. Indiana Ave. I observed the traffic light for westbound traffic on E. Indiana Ave signal to red. A white vehicle traveling westbound on E. Indiana Ave then accelerated and went through the red light. The vehicle was well before the white stop bar when the light changed. I stopped the car and spoke with the driver, Freeman Woodworth. I advised Woodworth of the violation and asked him for his drivers license. Woodworth stated he did not have his license with him. Woodworth had his father and nine year old daughter in the car with him at the time. Dispatch advised that Woodworth's drivers license had expired on 7/10/2012. They further advised that he had active FTA warrants out of Toledo and Perrysburg Township for traffic violations. The warrant through Perrysburg Township was confirmed and Woodworth was taken into custody. He was issued a citation for Failure To Obey A Traffic Control Device (4511.12 - M4) and Expired Operators License (4510.12A1 - MM). Woodworth was then turned over to Ofc. Ball of Perrysburg Township Police.

Driver

A-000142882 Middleton, Donald E **Sex:** M **DOB:** 06/14/1970 Shepherd, MI 48883

Call Short Narrative

I was traveling W on E Indiana Ave. I observed a commercial unit traveling behind me the same direction. I crossed Louisiana Ave and drove slowly past the 5 ton weight limit sign. I observed the commercial unit continue WB on Indiana passing the 5 ton weight limit sign. I pulled onto the Fire Station apron and waited for the commercial unit to pass me. I then initiated a traffic stop and advised the driver, Mr. Middleton, why I had stopped him. Mr. Middleton stated he did not see the sign and was looking for the truck stops. I advised Mr. Middleton that he needed to turn right instead of left and travel E to get to the truck stops. I took Mr. Middleton's information. Mr. Middleton asked if he was going to get a ticket and I advised him yes. Mr. Middleton was cited for failure to obey a traffic control device.
