Call Short Narrative

I was stationary in the driveway at 235 W. Indiana Ave. I observed a green Toyota Highlander NJ-EWB51U traveling Eastbound on W. Indiana Ave near Cherry St. The vehicle appeared to be traveling faster than the posted speed limit of 25 mph. I estimated the speed of the vehicle to be 40 mph. I activated laser unit # TS006433 and it displayed a reading of 43 mph at 614.2 ft from the cruiser. I stopped the vehicle and I spoke to the driver, Kyle Moore. Mr Moore told me that he was unsure how fast he was going and didn't think the speed limit didn't change to 25 mph until after Louisiana Ave. He also advised that he was delivering food from Gino's Pizza. He was cited for speed and was given a court date for 03/08/2013 at 0845 hrs. I had good tracking of the vehicle and there were no obstructions. The calibration was checked and it was functioning properly.
