Get a traditional look with a layout designed for today in this beautiful home. The living spaces revolve around the island kitchen, which offers plenty of space to sit at the raised bar or in the nearby breakfast nook. The great room shows off a wall of windows and French doors that open to the back porch. Get work done in the study, or use it as a formal dining room. Over in the back corner, the deluxe master suite surrounds you with luxury: a big bedroom, two walk-in closets, and a corner jet tub. The other three bedrooms share two full baths on the far side of the home. Don't miss the extra storage in the three-car garage.
