NARRATIVE

On listed date/time this unit observed the listed vehicle at Alexis/Telegraph with no headlights on. This unit then activated our over head lights and the vehicle turned north onto Telegraph still with no headlights on. This unit activated our siren and the vehicle continued north on Telegraph straddling the center lane twice. The vehicle then pulled onto Mel Simon and stopped for this unit. Suspect1: Steele, Todd W then exited his vehicle immediately and showed and told these officers he was a Toledo Fireman. This unit did observe S1 to have bloodshot and glossy eyes, a odor of an alcoholic beverage coming from S1 breath, and also observed S1 to have trouble keeping his balance using his vehicle to lean on. S1 did admit to these officers that he had been drinking and was coming from the four horsemans bar on Lewis Ave. S1 was asked to perform three field sobriety tests and refused all tests. S1 was placed into custody on suspicion of ovi and while in the back seat of this units vehicle S1 stated that he was having chest pains. This unit then advised dispatch and Is3 and TFD engine 18 arrived on scene. Is 3 then transported S1 to St.Vincents hospital and this officer (Bodeman#2566) rode in the back of Is 3 with S1. During an inventory search of S1's vehicle a open alcoholic can of mikes hard strawberry lemonade was found in S1 center counsel. While at St V's this officer (Bodeman#2566) read the BMV 2255 form off to S1 which he signed but refused to give a urine sample. This unit was advised by hospital staff that S1 showed that he had a abnormal heart rhythm and would be admitted. This unit then issued S1 citations for ovi, open container ,headlights required, and marked lanes. S1 was given a court date to appear in TMC#4 on 8/29/14 at 1300hrs. 281 contacted and unit 111 (Lark/Orourke) did tow report. The can of mikes hard strawberry lemonade was also taken and booked into the Central station night property room per department policy.
