Unfinished Walkout Basement

Step out of the ordinary with this beautiful one-story home. Also available in a version with a finished basement (plan HWEPL77205), the open layout features a screened porch and adjacent deck to take advantage of a view lot. Enjoy meals at the kitchen's snack bar, nearby in the open breakfast area, or in the dining room near the front. The master suite boasts a huge walk-in closet, a large tub and separate shower, and two sinks. Nearby, bedroom 2 would make a great nursery or office. A third bedroom sits across the home. Handy closets abound, especially near the entrance from the three-car garage.

This open layout keeps everything organized with many well-placed closets, including the kitchen's walk-in pantry.
