Call Short Narrative

While sitting stationary observing traffic traveling on E Boundary St a motorcycle turned from Front St heading South. The motorcycle could be heard gaining speed very quickly. I estimated the speed of the motorcycle at 40 mph. I tracked the speed of the motorcycle from 43 mph to 50 mph back down to 44 mph as it approached the tracks on E Boundary St. I caught up to the motorcycle on SR 795 at 75. I stopped the motorcycle and identified the driver as Heyman. Heyman apologized and advised that he thought the speed limit was 35 mph on the roadway. He also advised that he had just recently purchased the bike and was still working out some bugs with it. Heyman was polite and courteous. The radar was checked at 0510 and again at 0615.

Call Short Narrative

I ran a check on a registration (EHD7402) which came back to a 96 Saturn in Brittney Brenneman's name. The vehicle was a Ford Taurus. I stopped this vehicle and the driver was Ms. Brenneman. She provided a purchase agreement from T&R Motors out of Toledo. The agreement was dated 05/17/12 for the purchase of the Ford, and Mr. Beck was listed as the purchaser. Ms. Brenneman stated Mr. Beck was her boyfriend, and they were waiting on the title. I explained the vehicle was already titled to Mr. Beck. Ms. Brenneman stated the Saturn had been totaled after an accident. No insurance paperwork was provided. The vehicle was towed by Ray's Towing, and Officer Trobaugh transported Ms. Brenneman over to Levis Commons. I removed the license plates which were later logged into the property room.

Date: 06/20/12 10:58:35

Units were dispatched to Hamill's residence after a neighbor heard a woman yelling, followed by a loud bang. Upon arrival, it was determined Hamill had awoke to find her two sons had left an exterior door open while the home's air conditioning was in use. She hollered at the boys and slammed the door shut. The boys were found to be in good spirits with no evidence of violence or maltreatment.

Call Short Narrative

A red Chevy hatchback was observed traveling South on SR 25 between Roachton and Lighthouse. The vehicle appeared to be traveling faster than the posted limit of 50 mph. I estimated the speed at 65 mph, upon checking the speed I found the the vehicle was traveling 68 mph. I observed a constant tone while approaching the vehicle and the tone dropped off to another vehicle behind it upon passing the Chevy. I was finally able to catch up to the vehicle as it approached Reitz Rd almost 1.5 miles after I clocked the vehicle. The driver was identified as Dean and he was polite and courteous and apologized for speeding. The radar unit in car 19 serial number PYT831001002 was checked at 0515 hours.
