

Find Cutie

The holiday frenzy should be receding by now and you'll have time to pause and reflect before beginning the new year. Consider this page a bit of whimsy, a chance to sit back and laugh a little. Now spend some time trying to find Cutie, a little dog with a big heart. She's already helped raise almost \$30,000 to provide extraordinary veterinary care for canines, like her, that found new homes through the Lucas County Dog Warden.

A hint: Cutie is hiding amongst the Toledo notables, past and present, whom we've placed in and around the skating rink at the Shops at Fallen Timbers.

See if you can find Cutie, as well as others of Toledo's finest:
