Call Short Narrative

While monitoring the traffic signal at Front Street and Louisiana Avenue, I observed a grey Kia Rio (OH-DGP4178) traveling westbound on Front Street. The vehicle continued through the red flashing light without slowing or stopping. I activated my overhead lights and audible siren. After the vehicle finally pulled over, I explained the reason for the stop to the driver, Deliah Villarreal, who stated she was not paying attention. While issued her citation, Villarreal stated that she did not know she had to stop at the flashing red light. She also stated that she did not see anyone coming so she "just continued through." Deliah Villarreal was issued a citation for Failure to Obey a Traffic Control Device - ORC 4511.12 (MM). She was given a court date of Friday, January 18th at 8:45am.

The signal for SB traffic had already cycled to green when the truck went through the intersection. The truck was west of the stop bar at Elm when the EB signal on SR 795 had cycled to red. I stopped this truck and made contact with Mr. Wagner. He had no passengers. He stated he did not want to slide by trying to brake, so he continued through the intersection. Call Short Narrative

While stopped at the stop sign on Second Street at SR 25, I observed a silver Buick Enclave (OH-371YHD) turn south onto SR 25 from Maumee Western Reserve at a high rate of speed. The vehicle turned into the outside lane and continued to accelerate quickly. I followed the vehicle and obtained speeds of 53 and 54 miles per hour in the 40 mile per hour zone. The driver of the vehicle changed lanes several times without signaling. When approaching Eckel Junction Road, the driver again began to change lanes to weave in and out of traffic without signaling. I observed the driver do this around at least 3 cars while continuing to travel over 50 miles per hour. I activated my overhead lights and initiated a traffic stop. The driver, Karol Kampe, was advised the reason for the stop. She stated she was running late to a parent teacher conference in Bowling Green. Karol Kampe was issued a citation for Turn Signals- ORC 4511.39 (MM) and given a court date of Friday, January 18th at 8:45am. She was advised to provide the court with current proof of insurance. Kampe was verbally warned for speed.
